

Collectors Club

Summer 2007

I am a little apprehensive in saying welcome to our summer newsletter, but lets hope that this latest fine spell, all be it rather short, is the beginning of many fine and warm days to come.

Thank you to everyone who contacted us to see if we had escaped the July floods and although the river Severn

was very high, thankfully we did escape this time! But we do feel desperately sorry for those who have been affected. We know only too well how horrific the impact of flood water can be.

Welcome to Silverleaf Gallery

It was nice to see you over the weekend at Trentham Gardens and we hope you enjoyed the event and found the lectures and demonstrations interesting. You will of course, always be welcome

to drop in at the gallery and we hope to see you whenever you are passing.

Open Day Weston Park 1st September

At last the long awaited event is nearly here! Although we had to cancel last year, the time has been well used creating new designs and techniques and after numerous experiments and trials, once again

I am excited to tell you that the boundaries have been pushed a little further and we hope you will be amazed by what you see!

All will be revealed on the day and you will be introduced to new traditional and contemporary designs such as Anemone, Campanula, Black-eyed Susan, Dragons and Owls, to mention just a few. These exquisite designs are complimented with new pastel and vibrant colours. We will also be

introducing the first trials involving very complicated and skilful techniques using double and treble inside cased and inside carved pieces. Double and treble outside overlay carved inside and outside and finally cased dichroic shard pad cameo! Gosh what a mouth full, but I can assure you the results are quite stunning and we hope you will think so too!

Extra Spaces Available

We are also pleased to inform you that due to the ever increasing demand for collectors' wishing to attend the event, we have managed to secure just a few extra places without jeopardising health and safety restrictions. Therefore, if any of you would still like to attend please contact us ASAP and hopefully we can squeeze you in!

Just a reminder to those of you already booked. The day begins at 11am-please give your name at the admissions gate at the main entrance to Weston Park and make your way to the Stables Courtyard, where we are located. After the opportunity to meet and greet you all, Jonathan will be giving a DVD presentation of his new techniques. Following that you will have the opportunity to do any shopping and then enjoy a delicious buffet lunch, prepared by Weston Parks head chef.

You will also receive complimentary tickets to visit the Stately Home and enjoy the beautiful landscape gardens. We will of course be there throughout the event to ensure your day is as enjoyable and informative as possible. Please remember, if you do wish to reserve one of the few places left please contact us. We are unable to admit anyone if you have not officially booked. At the same time, if anyone finds they are unable to attend due to unforeseen circumstances we would be very grateful if you would let us know. Thank you.

Well, all that remains to be said is that we are looking forward to seeing you all and hearing your thoughts regarding the new designs and techniques.
